

ELBA

IGO21BIC Fridge-Freezer

LED Light

DIMENSIONS

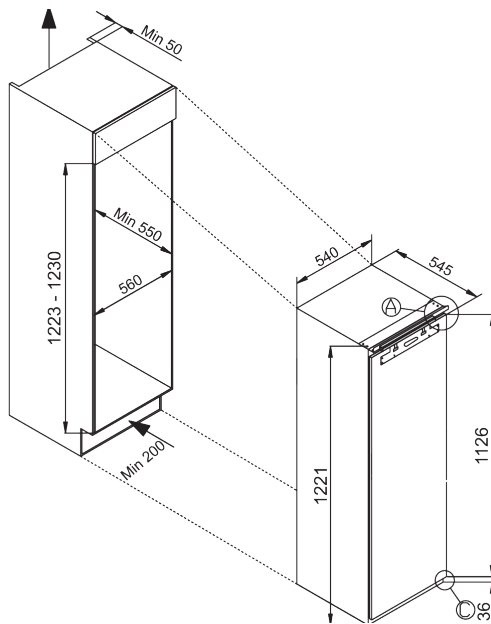

H: 1221 mm
W: 540 mm
D: 545 mm

CAPACITIES

Gross capacity total 180 l
Net capacity total 179 l
Net capacity refrigerator 163 l
Net capacity freezer 16 l
Rated Freezing capacity
2.6 kg/24

FEATURES

Built-in combi
Auto-defrost in fridge department
Amount of refrigerant: 37g
Other refrigerating appliance: Yes
Annual energy consumption: 185 (AE)
Standard annual energy consumption: 148.84
Daily energy consumption at 16°C (E16): 0.25
Daily energy consumption at 32°C (E32): 0.766
Temperature rise time: 10 h
Combi parameter: 1.38
Door heat loss factor (D): 1
Load factor (L): 1
Climate class: ST
Airborne acoustical noise emissions: 39 dB(A)
Airborne acoustical noise emission class: C
Minimum ambient temperature: 16
Maximum ambient temperature: 38
LED light

TECHNICAL INFORMATION

Energy efficiency class: A+
Annual energy consumption: 185 kwh/year
Power supply voltage: 220-240V
Frequency: 50 Hz
Refrigerant: R600a

FINISH

White
SKU: IT21064
