

ELBA

FRG12BU Built-Under Fridge

Led Light

DIMENSIONS

H: 820 mm

W: 596 mm

D: 550 mm

VOLUME

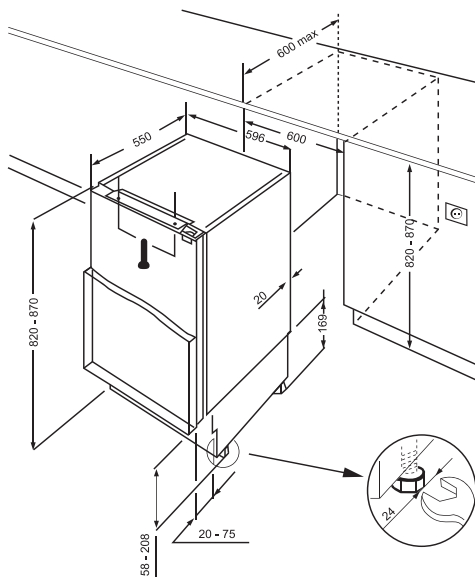

NET

Net volume total 135 l

Refrigerator 135 l

GROSS

Gross volume total 136 l

FEATURES

LED light

Temperature rise time: 0 h

Combi parameter: 1

Door heat loss factor (D): 1

Load factor (L): 1

Climate class: ST

MANAGEMENT AND FUNCTIONS

Power supply voltage: 220-240V

Frequency: 50 Hz

Refrigerant: R600a

Amount of refrigerant: 25g

Other refrigerating appliance: Yes

Airborne acoustical noise emissions: 40 dB(A)

Airborne acoustical noise emission class: C

Minimum ambient temperature: 16

Maximum ambient temperature: 38

POWER AND CONSUMPTION

Energy efficiency class: F

Energy efficiency index: 125 (EEI)

Annual energy consumption: 116 (AE)

Standard annual energy consumption: 93.02

Daily energy consumption at 16°C (E16): 0.146

Daily energy consumption at 32°C (E32): 0.49

FINISH

White
